On behalf of the applicant organization, I hereby acknowledge that I am familiar with Los Angeles Municipal Code Section 53.15.2 and declare that the registry or association (check each):

- Has been established for three or more years.
- Maintains and enforces a code of ethics for breeding that includes: Knowledge of the breed standard, the basic principles of genetics, and the pedigrees of prospective stud and matron; Restricting the breeding of animals that are not physically or temperamentally sound or have defects and life-threatening health problems that commonly threaten the breed; Requiring that animals are thoroughly examined by a veterinarian before breeding to determine that they are healthy, mature, and suitable for this purpose; Denying, suspending, or revoking membership of any breeder in violation of its code of ethics or who is proven to have been convicted of a crime against an animal.
- Participates in, sponsors, or organizes bona fide competitions or shows that make awards based on merit.
- Includes an explanation of the existing registration process, and includes a sample registration slip, letter, or certificate currently provided for registration of dogs or cats, which owners would present for exemption under LAMC 53.12.2.

Under no circumstances allows, endorses, or engages in any activity that is determined to be intentionally harmful or detrimental to the health and/or safety of animals or humans.

Please attach documentation such as Code of Ethics statements; organizational history; facts about shows, competitions, and awards; process for providing registration or certification; example of certification form; or any other information you wish that supports and elaborates on the qualifications of your organization.

I understand that providing false or misleading information on this application may result in recommendation to deny or revoke the recognition of the Board.
